## February 20, 2022 Speaker

**Kristi L. Sexton**

**Topic: To Be Determined**

A genealogist and family historian for almost three decades, Kristi L. Sexton is teaching, lecturing, and training the next generation of genealogists. With a BS and an MS in accounting and auditing, Kristi's step into a more research-focused and discovery role was a breeze. One Leaf Genealogy is at the forefront, while she currently serves as the president of the Orange County California Genealogical Society and is an adjunct professor at Brigham Young University–Idaho in the Family History Department. She loves all kinds of puzzles and cannot wait to help solve them with the facts, One Leaf at a Time!

## QHGS President's Message

I attended the Whittier Area Genealogical Society (WAGS) 2022 Webinar and one of the speakers was Joel Weintraub who did a fantastic presentation on what to expect with the 1950 Census.

One take away was that the census will not include any person who was overseas on April 1, 1950. This is not good if your family member was in the military stationed outside of the U.S. or its territories. This could also include whole families.

Joel has put together many YouTube videos regarding the census. It seems that the information from the National Archives keeps changing so he has updated some of these videos. Check him out.

Following up on my previous messages about using social media, I had a Zoom meeting recently with Loretta whom I talked about last month. We shared some stories and had a great visit. She lives near where my grandmother grew up so she will be a wonderful resource of information. During our visit, we figured out that we are 4th cousins 2X removed on our Babcock line. More recently, we are related thru marriage and have several other family and friend connections.

Now go on Facebook and look for the genealogical society of your ancestor's places (city or county) of residence. Look for the surname too. Join the group and ask questions or make posts. If you make a connection, let us know about it.

You can reach us at [questingheirs@gmail.com](mailto:questingheirs@gmail.com).
